Total Other Ingredients	98.7%

Derived from Leonardite

General Information

BackSpinX potassium fertilizer solution is intended for use as a foliar or soil applied supplement to a good fertility program. BackSpinX is formulated with potassium thiosulfate, which is an ideal potassium source when crop demand is high. It also contains Krystal Klear® chelated micronutrients and PERFORMANCE Organic Acids™ as well as 18 L-amino acids that help provide balanced nutrition.

WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

Application Instructions

BackSpinX may be applied to all types of crops including but not limited to: Corn, Soybeans and Cotton as a foliar and soil applied application at a rate of 2 to 8 quarts per acre. Applications may be made at planting and every 10 to 14 days throughout the growing season, as needed. **Caution:** Plant and leaf injury may occur on some crops when certain weather and growing conditions are present.

Compatibility

BackSpinX is compatible with most pesticides. However, do not mix BackSpinX with pesticides or other chemicals without performing a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

Storage Instructions

Store BackSpinX in a cool place and out of direct sunlight. It is recommended that BackSpin be stored in fiberglass, polyethylene or polyolefin. Do not stack pallets.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to Innova Performance Products at the address on this label and referring to the lot/batch # on this container.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes skin irritation. Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all precautions have been read and understood. Wash skin thoroughly after handling. Wear eye protection/face protection. Take off contaminated clothing and wash it before reuse.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF exposed or concerned: Get medical advice/attention. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
