Derived from urea, ammonium sulfate, ammonia, potassium thiosulfate, copper IDS, manganese EDTA, manganese IDS, zinc EDTA, zinc IDS and boric acid.

### ACTIVE INGREDIENTS

0.65% Humic Acids (derived from Leonardite)

### INERT INGREDIENTS

99.35% Total Other Ingredients

### General Information

Chrome<sub>FLEX</sub> NPK fertilizer solution is intended for use as a foliar or soil applied supplement to a good fertility program. Chrome<sub>FLEX</sub> is formulated with potassium thiosulfate, which is an ideal potassium source when crop demand is high. It also contains Krystal Klear® chelated micronutrients and PERFORMANCE Organic Acids™.

**WARNING:** The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

### Application Instructions

Chrome<sub>FLEX</sub> may be applied to all types of crops including but not limited to: Corn, Soybeans, Wheat, and Cotton as a foliar application at a rate of 1 to 3 gallons per acre. Applications may be made at crop emergence and every 10 to 14 days throughout the growing season. Use sufficient carrier to adequately cover crop foliage. **Caution:** Plant and leaf injury may occur on some crops when certain weather and growing conditions are present.

### Compatibility

Chrome<sub>FLEX</sub> is compatible with most pesticides. However, do not mix Chrome<sub>FLEX</sub> with pesticides or other chemicals without performing a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

### Storage Instructions

Store Chrome<sub>FLEX</sub> in a cool place and out of direct sunlight. It is recommended that BackSpin be stored in fiberglass, polyethylene or polyolefin. Do not stack pallets.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to Innova Performance Products at the address on this label and referring to the lot/batch # on this container.

KEEP OUT OF REACH OF CHILDREN

### WARNING

Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

### PRECAUTIONARY STATEMENTS:

Do not handle until all safety precautions have been read and understood. Do not breathe fume/mist/vapours/spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye and face protection.  
**IF SWALLOWED:** Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.  
**IF ON SKIN:** Wash with plenty of soap and water.  
**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.  
**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.  
**IF exposed or concerned:** Get medical advice/attention. Take off contaminated clothing and wash it before reuse. Store locked up. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

### Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
