

Liquid Fertilizer
7-0-5

GUARANTEED ANALYSIS

Total Nitrogen (N)	7.0%
7.0% Ammoniacal Nitrogen	
Soluble Potash (K ₂ O)	5.0%
Sulfur (S)	15.0%
Boron (B)	0.25%
0.25% Water Soluble Boron (B)	

Derived from: ammonium thiosulfate, potassium acetate, and boric acid.

General Information

NutriMaxx S provides readily available nitrogen, potassium, sulfur, and boron. It also contains KaPre® Spectra fulvic acids to improve nutrient uptake, KaPre® PhoNix to inhibit ethylene production and reduce plant stress, and sugar as an additional energy source. NutriMaxx S is ideal for both foliar and side-dress applications.

Application Instructions

NutriMaxx S may be applied to all types of crops, including but not limited to: Corn, Soybeans, Wheat, and Cotton as a foliar and soil applied application at a rate of 2 to 8 quarts per acre. Applications may be made at planting and every 10 to 14 days throughout the growing season, as needed. Use sufficient carrier to adequately cover crop foliage.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Suspected of damaging fertility or the unborn child.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all precautions have been read and understood. Wash skin thoroughly after handling. Wear eye protection/face protection. Take off contaminated clothing and wash it before reuse.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention.

IF INHALED: Call a poison control center or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF EXPOSED OR CONCERNED: Get medical advice/attention. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Compatibility

It is compatible with most fertilizer and pesticide formulations and can be tank mixed in both pre-emergence and post-emergence applications.

Storage Instructions

Store in a cool dry place. Do Not Freeze. Store in original container. Do not reuse container. Store locked up. Store in well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

Read and understand safety data sheet before using this product.

Caution: Plant and leaf injury may occur on some crops when certain weather and growing conditions are present.
