### General Information

TriAxis is a multi-technology biostimulant solution that combines *Ascophyllum nodosum* seaweed extract, *Quillaja saponaria* extract, fulvic acid, and a carbon-based metabolite derived from leonardite with a KTS-based nutrient package providing K, S, Zn, Fe, and B. This three-way system is designed to improve stress tolerance, root development, and nutrient use efficiency.

**WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.**

NOTE: Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to Innova Performance Products at the address on this label and referring to the lot/batch number on this container.

### Application Instructions

**Field Crops:** Apply as a soil or foliar application at a rate of 10-20 ounces per acre.

**Produce (Single Harvest):** Apply 10-20 ounces of TriAxis per acre to transplant water. Make 3-5 foliar applications of 10-20 ounces per acre every 2-3 weeks starting within 2 weeks of transplant or emergence.

**Produce (Multiple Harvest):** Apply 10-20 ounces of TriAxis per acre to transplant water. Make 3-8 foliar applications of 10-20 ounces per acre every 2-3 weeks, starting within 2 weeks of transplant or emergence.

**Leafy Greens:** Apply 10-20 ounces of TriAxis per acre to transplant water. Make 3-5 foliar applications at 10-20 ounces per acre every 2-3 weeks starting within 2 weeks of transplant or emergence. Do NOT apply after mid-season.

**Fruit Trees and Bush Crops:** Foliar apply 10-20 ounces of TriAxis 3-5 times per season, beginning just before or right after bloom, and follow up with 1-2 early season applications, 1-2 mid-season applications and 1 late season application.

### Storage and Handling

Store TriAxis in a cool place and out of direct sunlight. It is recommended that TriAxis be stored in fiberglass, polyethylene or polyolefin. Do not stack pallets.

Store locked up. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

**KEEP OUT OF THE REACH OF CHILDREN**

**WARNING:** Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

### Precautionary Statements

Do not handle until all safety precautions have been read and understood. Do not breathe fume/mist/vapors/spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye and face protection.

**IF SWALLOWED:** Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

**IF ON SKIN:** Wash with plenty of soap and water.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

**IF exposed or concerned:** Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

### Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
