Chrome®

(18-1-0) COMPLETE FOLIAR NUTRITION

GUARANTEED ANALYSIS

Total Nitrogen (N)	18.0%
18.0% Urea Nitrogen	
Available Phosphate (P_2O_5)	1.0%
Sulfur (S)	1.1%
Boron (B)	0.125%
0.125% Water Soluble Boron (B)	

Derived from: urea, ammonium sulfate, phosphorus acid, ammonia and boric acid.

General Information

Chrome helps improve plant performance and complements a good fertilizer program. Corn utilizes large quantities of nitrogen during the grand growth phase. From the 8th-leaf stage through tasseling, N uptake is 4 to 8 pounds per day per acre. Soybean nitrogen demand increases at R3 and peaks shortly after the beginning of pod formation. Peak nitrogen demand for wheat is from the beginning of tillering through flowering. Chrome gives plants entering the reproductive phase a strategic, quick and highly efficient nitrogen source when demand is most crucial. Incite™ Plant Growth Regulator is an excellent partner product with Chrome to maximize yield potential.

WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

Application Instructions

Chrome may be applied to all types of crops including but not limited to: field corn, seed corn, popcorn, sweet corn, rice, soybeans, and wheat as a foliar application at a rate of .5 to 3 gallons per acre during grain or pod fill. Chrome may be applied undiluted or diluted (with water) for aerial or ground application. Use sufficient carrier to adequately cover crop foliage.

Caution: Plant and leaf injury may occur on some crops when certain weather and growing conditions are present.

Compatibility

Chrome is compatible with most common foliar liquid nutrients and micronutrients; however, USER ASSUMES FULL RESPONSIBILITY to ensure compatibility when tank mixing with other products.

Do not mix with other components without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients.

SHAKE IMMEDIATELY BEFORE USE

Storage and Handling

Store Chrome locked up. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

KEEP OUT OF THE REACH OF CHILDREN

WARNING: Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

Precautionary Statements

Do not handle until all safety precautions have been read and understood. Do not breathe fume/mist/vapours/spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye and face protection.

IF SWALLOWED: Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

IF exposed or concerned: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

NOTE: Information regarding the contents and levels of metals in this product is available on the internet at http://www.aapfco.org/metals.htm or by writing to Innova Performance Products at the address on this label and referring to the lot/batch number on this container.

Weight / Gallon: 9.56 lb. (4.34Kg)
