SUVON
PREMIUM ADJUVANTS

F&I

NPE-Free Surfactant

PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of paraffinic oils and aliphatic alcohol ethoxylates	98%
Ingredients ineffective as a spray adjuvant	2%
Total	100%

Ingredients are exempt from tolerance as specified under Title 40, Code of Federal Regulations 180.

CAUSES SKIN IRRITATION. CAUSES SERIOUS EYE IRRITATION.
KEEP OUT OF REACH OF CHILDREN.

PRECAUTIONARY STATEMENTS

Read label before use. Do not handle until all safety precautions have been read and understood. May be harmful if swallowed or inhaled. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fumes, gas, vapors and spray mist. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, face and eyewear. See Safety Data Sheet for further details regarding safe use of this product.

FIRST AID

IF SWALLOWED: Call a doctor or poison control center. Never give anything by mouth to an unconscious person.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, get medical advice/attention.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before reuse.

IF INHALED: Remove person to fresh air. If breathing is difficult, have trained person administer oxygen. If breathing has stopped, clear breathing pathway and administer artificial resuscitation. Get medical attention.

GENERAL INFORMATION

Suvon F&I is an NPE/APE-Free non-ionic spray adjuvant that enhances spray performance via modification to spray solution deposition, wetting and penetration.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

The addition of a spray adjuvant to various combinations of pesticides and/or fertilizers can potentially induce a phytotoxic response in the foliage or fruit of susceptible vegetation, including crops and non-target vegetation.

Before the addition of **Suvon F&I** to a given spray mix, users and applicators must conduct a phytotoxicity evaluation and/or have experience with the intended spray combination.

USE RATE: Use **Suvon F&I** at 1 to 4 quarts per 100 gallons of spray mix, or 0.25 to 1% v/v. Use a minimum of 2 quarts **Suvon F&I** per 100 gallons of spray mix to achieve wetting, spreading and penetration of applied fungicide, insecticide, nutritional and biostimulant mixtures. Increase minimum **Suvon F&I** use rate to 3 quarts per 100 gallons of spray mix for any herbicide application.

MIXING INSTRUCTIONS: Read and follow all pesticide labels when determining mixing order and procedure. Fill spray tank ½ to ¾ full of water and add an antifoam agent such as Regulator™ prior to addition of any subsequent products, unless directed otherwise by the specific pesticide labels. Unless otherwise directed by specific pesticide labels, add **Suvon F&I** last to the spray mix and continue agitation at a reduced intensity for 1 - 2 minutes to mitigate foaming prior to filling the tank with remaining water.

DO NOT add Suvon F&I directly to undiluted pesticides. Mix as much water as possible with pesticide and/or fertilizer products before addition of **Suvon F&I.**

Suvon F&I does not contain organosilicone surfactants.

STORAGE AND DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place away from oxidizing agents. Keep packaging closed, securely fastened and upright. Store between 0°F and 100°F. Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms: By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers: Manufacturer and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks: The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability: To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
