| Total | 100% |

Ingredients are exempt from tolerance as specified under Title 40, Code of Federal Regulations 180.

## KEEP OUT OF REACH OF CHILDREN

## WARNING

### USE PRECAUTIONS

The addition of an adjuvant to some pesticides may increase the risk of phytotoxicity to certain susceptible crops, especially during periods of high humidity or other circumstances which may increase the activity of spray solutions. Care should be exercised when using on new varieties or crops not previously treated with **Suvon NIS 90**.

### HAZARD STATEMENTS

Harmful if swallowed. Causes serious eye irritation. Causes skin irritation. May cause damage to organs (kidneys) through prolonged or repeated exposure.

### PRECAUTIONARY STATEMENTS

Read label before use. Keep container tightly closed. Keep only in original container. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Avoid breathing dust, fume, gas, mist, vapors, spray. In case of inadequate ventilation, wear respiratory protection. Dispose of contents and container in accordance with local and national regulations. **Personal Protective Equipment (PPE):** Wear protective gloves and eye/face protection.

### ENVIRONMENTAL HAZARDS

**Not for aquatic use.** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

### DIRECTIONS FOR USE

The accompanying pesticide label often provides specific use rates, mixing, and application instructions and any additional precautionary statement. Always read and follow label directions of the pesticide being applied.

**USE RATE** - Ground and Aerial Use Rates: Use 1/2 to 4 pints per 100 gallons of spray solution.

**MIXING DIRECTIONS** - Always mix in accordance with the instructions on the pesticide label. Fill spray tank with 1/2 to 3/4 of required water volume and begin agitation. Add tank mix ingredients as instructed on pesticide label and add **Suvon NIS 90** last unless otherwise instructed by pesticide label. Add **Suvon NIS 90** before the addition of wettable powders and water-soluble materials.

For emulsifiable products, add **Suvon NIS 90** after a good emulsion is formed. **Suvon NIS 90 IS NOT FOR AQUATIC USE.**

### STORAGE, DISPOSAL AND SPILL

**Do not contaminate water, food, or feed by storage or disposal.**

**STORAGE:** Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only. Store locked up. Do not store with food, feed or other material to be used or consumed by humans or animals. Do not contaminate water supplies.

**DISPOSAL:** Dispose of contents and container in accordance with local and national regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

**SPILL:** In the event of a major spill, fire or other emergency, call Info Trac at 1-800-535-5053.

**FIRE:** In case of fire, use alcohol resistant foam, CO2, powder or water spray to extinguish.

### FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor or going for treatment.

**IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

**IF SWALLOWED:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

**IF INHALED:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

**IF ON SKIN OR CLOTHING:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

### CONDITIONS OF SALE - Limited Warranty & Limitations of Liability & Remedies

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Suvon™ or the seller. All such risks shall be assumed by the buyer.

Suvon™ warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. Suvon™ makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall Suvon™ or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. Suvon™ and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Suvon™.
