SUVON
PREMIUM ADJUVANTS

ADJUVANT REFERENCE GUIDE

Adjuvant Category:	Premium All-In-One with Oil	Industry-Leading Liquid AMS
Suvon Adjuvant Solution:	XTRA	4L
Description:	All-in-One with COC, NIS, deposition agent and non-AMS water conditioner.	AMS-based water conditioner with 4.0 lb AMS per gallon in liquid form.
Drift Reduction Agent:	Yes	No

Adjuvant Category:	High Surfactant Oil Concentrates		Basic Oil Concentrates	
Suvon Adjuvant Solution:	HS-COC	HS-MSO	COC	MSO
Description:	60/40 high-surfactant crop oil concentrate formulated for lower use rates vs. standard COCs.	60/40 high-surfactant methylated seed oil with built-in surfactant.	A crop oil concentrate consisting of a blend of special non-ionic surfactants and non-phytotoxic oil.	Precise blend of refined oil and surfactants designed to enhance spray applications and performance.
Drift Reduction Agent:	No	No	No	No

Adjuvant Category:	NPE-Free Surfactants		Surfactant	Water Conditioner with AMS
Suvon Adjuvant Solution:	F&I	ARGOSY RF	NIS 90	FLEX
Description:	NPE/APE free oil-based surfactant blend positioned for fungicide + insecticide applications.	Rainfast polymer-based sticker/spreader with drift reduction benefits.	90:10 high-surfactant NIS formulated for lower use rates vs. 80:20 NIS products.	Water conditioner, pH buffer, and wetting agent with 3.4 lb AMS per gallon in liquid form.
Drift Reduction Agent:	Yes	Yes	No	Yes

Adjuvant Category:	Water Conditioners without AMS		Soil Surfactant	Surfactant with UAN
Suvon Adjuvant Solution:	700	TRIO	CLAMP	HOT-PAK
Description:	NIS, penetrant, acidifier and deposition agent.	Non-AMS water conditioner with three modes of action.	Soil surfactant with deposition aid and drift reduction.	Surfactant, deposition agent, and activator blend for faster response with water-soluble herbicides. Contains UAN.
Drift Reduction Agent:	Yes	No	Yes	Yes
