SUVON
PREMIUM ADJUVANTS

XTRA

Premium All-in-One with Oil

A multifunctional oil concentrate, non-ionic surfactant, deposition aid and supplemental water conditioning agent.

- Enhances herbicide penetration by softening cuticle waxes
- Sequesters hard water ions
- Improves deposition onto target surfaces
- Enhances wetting, adhesion, and ensures uniform coverage

GENERAL INFORMATION

Suvon XTRA sequesters hard water ions to limit their interaction with the active ingredient and buffers the tank mix carrier to a consistent pH.

AMS FREE for use with herbicides when the label does not permit the use of ammonium sulfate (AMS).

USE RATE AND PACKAGING

	Use Rate: 1-4 qt/100 gal*
	Weight/Gallon: 7.31 lbs/gal
	Package Sizes: 270 gal totes; 2x2.5 gal jugs

*** Refer to the product label for more specific rate information.**
