PREMIUM ADJUVANTS

XTRA

Premium All-in-One with Oil

PRINCIPAL FUNCTIONING AGENTS

Hydrotreated light paraffinic petroleum distillates, fatty acids, alcohol ethoxylate, phosphate ester	99%
Constituents ineffective as an adjuvant	1%
Total	100%

Ingredients are exempt from tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

Causes eye irritation. Causes mild skin irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

Have the product container with you if calling a poison control center or doctor, or going for treatment.

EYE CONTACT: Rinse cautiously with water for several minutes.Remove contact lenses if present and easy to do then continue rinsing.

SKIN CONTACT: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

INGESTION: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. DO NOT INDUCE VOMITING.

INHALATION: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance.

GENERAL INFORMATION

Suvon XTRA sequesters hard water ions to limit their interaction with the active ingredient and buffers the tank mix carrier to a consistent pH.

AMS FREE for use with herbicides when the label does not permit the use of ammonium sulfate (AMS).

DIRECTIONS FOR USE

Follow the directions on the most restrictive active ingredient label. Tank mixtures should only be applied within the label recommendations of every product in the tank mixture. Use only if an oil concentrate, nonionic surfactant and water conditioning agent is allowed or not excluded on the label. Use caution when applying during hot, dry conditions. If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture to determine phytotoxicity and a compatibility test to determine mixture stability.

ORDER OF ADDITION - In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. Suvon XTRA

Prior to mixing, fill the spray tank with half of the carrier. Start the sprayer and check to make sure that all valves and gauges work and that there is adequate tank agitation.

USE RATE - Ground or Aerial: Use 2 to 8 pints / 100 gallons for most applications or 0.5% v/v.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container only. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. **STORE BETWEEN 40° AND 90° F.**

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Dispose of rinsate according to all local, state and national regulations. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms: By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers: Manufacturer and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks: The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability: To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
